“ I learned of Kay's passing today. We first became friends at Robert E. Lee. Her genuine care and loyalty characterized how she built friendships. She was honest and very real with those who knew her best. My family loved Kay. Kay let Bart know my sister was accompanying her best friend to MD Anderson and he immediately popped in to visit. Of course, he managed to cheer everyone there, even though he was fighting cancer.

*We lost touch as the years passed, but I have never forgotten my dear friend. My prayers and thoughts are with her family.*

“ As Kay's neighbor growing up, I have fond memories of playing with her and her brothers. I was glad to have been able to share in Kay's life and gotten to know her. My prayers are with the remaining brothers today that God will wrap His arms around them during this difficult time.

“ I am so sorry about Kay's passing. We were friends from elementary school. I spent the night with her lots of times in that big house on Old Jacksonville, swimming, riding the golf cart, and exploring the "woods", and birthday parties. We went our separate ways later, but I always fondly remembered our friendship. May God comfort you all during this time.

“ Kay was a dear friend . I dont think i ever met some one who needed help that she turned away. She was loved by her friends. When i was working on getting my life turned around she taught me what unconditional friendship was. Ive known her since december 11 2001 that was a very special day for both of us. Ive spent many hours with kay roger and brandi. Sometimes its was moving some one, Working on a computer for them or just grabbing dinner at a convention. My heart goes out those that truly new and loved kay.
