“ *I worked with Dr. Frazier right after graduation from nursing school. He was always so patient with me as a new nurse. I'll never forget his compassion and kindness for everyone he cared for (staff and patients, both). His family is in my prayers.*

“ I treasure the memories of my time with Keith. His life as a Godly man, husband and father is an amazing testimony of God's goodness and grace. Thank you, Keith and Terri for your friendship and love. My heart grieves but rejoices for this sad yet joyful homecoming for Keith. I am sad that I will not be there for this service, but trust the Lord's hand as I minister here in Romania. Much love, Paulette

“ "Then the angel showed me the river of the water of life, as clear as crystal, flowing from the throne of God and of the Lamb down the middle of the great street of the city. On each side of the river stood the tree of life, bearing twelve crops of fruit, yielding its fruit every month. And the leaves of the tree are for the healing of the nations" revelation 22:1-2

“ I taught Keith at Pine Street Junior High in 1970-71. This was my first year teaching--he was a delightful student, very sweet and caring. It is unusual to remember someone after 40 years, but he was outstanding in his sweet, sweet, spirit and his tolerance of a first year teacher. He came by there later to sub. and I visited with him then. My prayers are with his family, and may you be comforted by the love of Christ.

“ It was a pleasure to have known and worked with Dr. Frazier. Few men exhibit the kind of leadership and presence he did. To his family: the thoughts and prayers of hundreds upon hundreds of people who's lives were touched by him are with you now and forevermore.
