“ *What a joy to have known Keith, Sherri and their children back in our GABC days! His smile, enthusiasm, and love for the Lord were very contagious. We were saddened yesterday when we received calls from two Tyler friends telling us of Keith's passing. The good news is that we know that Keith is with our Lord. Keith will be greatly missed by all who knew him.*

Sherri, we are praying for you and your family.

“ Keith befriended my husband and I to right a wrong. He genuinely helped us with our finances and had our best interest at heart. I appreciate his integrity and ability to get us connected with those who could help bail us out of a financial nightmare. Larry really respected Keith's advice, and we developed a good relationship with him of trust through our meetings. I pray for comfort by God's Holy Spirit to carry Keith's family through this time and for them to grow stronger in there relationship with Father God, and Jesus Christ.

“ Sherry and family, Keith will be fondly remembered. Today I am thinking of the first time I saw him in front of the grocery store in Cotton Center. Debbie and I invited him up to our house to meet Gary and some kid and we started teaching him to play "42". He was a friend from the first day. My prayers are with you. Sandy Rae

“ It didn't get any better than growing up with the Ingram's as corner neighbors! As the youngest of our two families, I spent most of my time following my all siblings and the Ingram kids around, I am sure being a pest of a little sister and trying to keep up with everybody. :) It was a great way to grow up and I have such fond memories. Thank you Keith for leading your family as a Father should and being such a good example. You will be missed very much!

“ Sherry,Cade,Josh and Erica please know that I am praying for the strength that passes all understanding for you. You and Keith were the first family we met when we moved to Tyler,32 years ago, and I must smile to remember the years putting up Christmas lights and raking leaves and our children riding bikes together in the neighborhood, and entrusting the care of our older 3 children when we went to the hospital to have Jennifer. Such sweet memories of Keith's smile and always being there to help. He has gone on ahead, but remains here, in our hearts.We love you-Karen and Ed and family.

“ Dear Sherry & Family,

We just found out about Keith & want to send our condolences & pledge to pray for you & your family in the days ahead. We had just seen that smiling face in one of the Tyler magazines & laughed that he had such a great smile that John nearly ruined with a racket-ball racket! We have such good memories of the Ingrams~Having Cade & Leigh a week apart...all the fun times with Green Acres Sunday School friends...We'll cherish those memories forever. It sounds like Keith is now re-united with his family...what a joy! But, being without him here on this earth will be hard. We will remember you daily when we talk to the Lord. We have "proved Him o'er & o'er" like the old hymn says...

We're moving back to Tyler(Gresham)the end of this year & hope to see you... We had just talked about that this week. But, whenever the "reunion" is, we know we'll see Keith again!

Oh, Sherry, please know how much you are loved by our Heavenly Father & all your friends here...This is not our home...Keith just got Home ahead of us!

With love & prayers, Lisa & John; Jeb, Betsy, Griffin, Riley & Reagan(Tyler)& Leigh, Brandon, Clayton & Blayne(in New Braunfels).

“ I was blessed to reconnect with Keith after many years. We had lunch at Barton Creek about a year ago and talked for hours. Then, we got together again this April for another session. What a joy it was to see him again after all this time and share our memories of high school and Texas Tech together and our lives since then. He was the greatest guy to be with, so genuine, funny, and caring. I am deeply saddened by his passing. Sherry, please accept my most sincere condolences to you and your children.

“ We have very fond memories of Keith and Sherry many years ago when we lived in Tyler. The fondest memory of Keith is when he rescued us and a van-load of teens when our van was towed at a Mavericks game in Dallas. Keith gladly packed us and all the teens in his red suburban and helped us locate the tow yard! What a kind and gentle servant! Sherry, you and the children are in our prayers today and in the days ahead. "Precious in the sight of the Lord is the death of His saints." We love you... Tim and Carol Bost

“ Wow! What a consistent, precious man of God Keith was to our Church & community! My heart is so heavy for you, Sherry as you two were the picture of the "Oneness" that happens in a Christ-filled Marriage! I know from experience that when you are "One" with a great man ~ and your husband precedes you to Heaven ~ that there is a real part of you that feels like "half"... Through that unavoidable valley, Jesus carries you and HE brings you through to the other side! I treasure the times you & Keith & I had fellowship! My daily prayers are with you & your dear children & parents! I am here if you need me! I love you my friend! Teresa

“ I was so saddened to see Keith's obituary on the Tyler paper website. It has been a few years since I last saw Keith out at UTHSCT making a drug rep call on the cardiologists I worked with. I had no idea he was battling cancer. Keith was always a ray of sunshine whenever he popped in for a visit. He always made me laugh and I really treasured his visits. He was a Godly man, and I was so blessed to have known him. My sincerest condolences to all of Keith's family and friends. May God wrap you all in his arms and give you comfort and peace during this sad, but glorious time. Keith has gone on to collect his eternal rewards, but he leaves his heart with you.
