“ Hi ya Brother. Well once again you are reunited with you Mom. As sorry as we are to see her go from this Earthly Life, we are so glad to know she is whole again, pain free and being with all the ones she loves. Wendy and I were just saying last week how jealous we were that Mary was gettin the big Bear hugs from ya. We will get ours soon enough.. All is well here. You would be so proud of the kids. Lynzi graduated, Kyle is one heck of a race car driver and little JadyN is growing like a weed. She starts Kindergarden in the fall. Where does the time go. Now little Viv she is a pistol...can i tell ya. Growing like a weed and still lookin just like you.
I love you Brother, I think of you often. Accepting you being gone is still really hard for me. I get through it just knowing that its not the end. We will see eachother again.
I love and miss you

“ *Sonnier family,*

As you all know your Husband, Son, Brother has been apart of my life the last 7 years or so. I love him so very much. Keith became a part of our family the first time we met. We all just clicked. Billy and I deemed Keith my childrens God Father..He loved Kyle and Lynzi so very much and Kyle and Lynzi Loves him. Keith will be missed so very much. I will always remember Keith to be so full of life and love. I had the privledge of introducing Keith and Wendy on my birthday 3 years ago and we all know how that turned out. Keith was the happiest man on earth. He always told me that he did not ever think he would find a woman to love, then our Wendy came along. What a joy to see Keith's face full of love and joy for Wendy..Then here came our LULU. I have seen new fathers in my lifetime but never a new daddy as proud and full of love then I saw Keith. Not to mention Vivie is his little clone. I could go on and on...I do know that Keith loved and adored his family, Wendy, Austin, Jordyn, and Vivie Lou. Wj, Mary he loved you with all his heart and soul..Know that. The two of you raised a wonderful man in Keith. He was a reflection of you both and the values you gave him.

I LOVE YOU KEITH JOSEPH SONNIER. GOD SPEED MY BROTHER. I WILL SEE YOU WHEN THE LORD CALLS ME HOME.

*ALL MY LOVE,
LEIGHAN BELL*

“ WENDY, VIVIAN, JORDYN, AUSTIN, MOM AND DAD.

*When tomorrow starts without me, and I'm not there to see.
If the sun should rise and find your eyes, all filled with tears for me.
I wish so much you wouldn't cry, the way you did today,
While thinking of the many things we never got to say.*

*I know how much you love me, as much as I love you..
And each time that you think of me, I know you'll miss me too..
But when tomorrow starts without me, Please try to understand..
An angel came and called my name and took me by the hand,
It seemed my place was ready - In Heaven far above,
and that I'd have to leave behind, those things I dearly love..*

*But as I turned to walk away, a tear fell from my eye.
For all of life, I'd always thought, I didn't want to die.
I had so much to live for, so much yet to do,
It seemed almost impossible, that I was leaving you..
I thought of all the yesterdays, the good ones and the bad..
I thought of all the love we shared, and how much fun we had..
If I could relive yesterday, just even for a while,
I'd say goodbye, then kiss you 'til I saw that special smile..*

*But then I fully realized, that it could never be,
'Cause emptiness and memories, would take the place of me.
And when I thought of all those things, I might miss come tomorrow,
I thought of you, and when I did, my heart was filled with sorrow. .
But when I walked through Heaven's gates, I felt so much at home.
When God looked down and smiled at me, From his great & golden
throne,*

*He said, "This is eternity, and all I've promised you.
Today your life on Earth is past, but here it starts anew.
I promise no tomorrow, but today will always last,
and since each day is the same day, there's no longing for the past.*

.

*But you have been so faithful, so trusting and so true,
Though there were some times you did some things you shouldn't
do. .*

*But you have been forgiven, and now at last you're free,
So come and take me by the hand, and share my life with me.."
So when tomorrow starts without me, don't think we're far apart,
for every time you think of me, I'll be right there - in your Heart..*

“ *We will miss you dearly Keith!! You may be gone from this earth but you will never be forgotten. You live on in your daughters eyes, the hearts of others, and the memories that we all will hold onto until we can be with you again. You were a good friend and a great guy and I know that I am a better person for having known you. It's not going to be the same without you here but keep your eye on us and watch over us from where you are!!*

*We love you,

And don't worry about Wendy and the kids, we will take care of them for you!!!!!!
