“ *Keith Tittle was one of the kindest most compassionate people I have ever know--He taught me how to see the conformations of a true halter horse--carried me to shows--had me to his house and let me name the babies--and always with this big smile--I will miss him dearly--God Bless you Keith*

“ My heart hurts, we have lost a true horseman and gentleman. Keith never met a stranger, especially the pretty girls! Always dapper with his perfectly styled silver mane...always supportive, encouraging and humble. He adored his Cherrye, his family and his beloved horses. Todd and I owe our start in the halter world to Keith. I spent almost 2 years working with Keith and Cherrye trying to soak up some of their knowledge and expertise. Keith taught me so much....he was my mentor and a dear friend. Heaven has gained a wonderful man and Angel. We will miss Keith always...our prayers are with Cherrye and the family. Rest in Peace Keith. 💔🙏 love always, Kathy and Todd Snodgrass

“ We made so many memories with Keith and Cherrye at our home, at the many horse shows we all participated in, and at the fun barbecues we all shared with Keith as the "grill master". He always wanted to take us for a ride in the ATV to see the new crop of foals every time we came over. He showed Larry how to collect a stallion while Cherrye and I worked in the lab and laughed when I told him I was buying a helmet for Larry to wear after I saw what was involved! Keith was a talented horseman, an astute businessman, and best of all, a good friend. He will be missed by all of us.
Love,
