“ Our thoughts and prayers are with all the family members. Shane will be missed greatly by us and many other people. Shane Howard had as big and good of a heart as the good Lord could put in any human, always willing to help in anyway he could. I am proud to have known him as my brother-in-law, my daughters Uncle and my friend. May god bless and give peace to all of his family and friends

“ Maryanne,
So sorry about your loss of Shane. He was a very sweet young man. I think of him and Gale, bringing me fish, real often. They really liked to fish. They would run trot lines, every weekend. I think they probably were about 10 and 14. I can't remember theyre ages.

Let me hear from you sometime. I really care. My favorite bible verse is: John 14:1-7. Hope it gives you comfort.

“ Diane and Girls,
I am so sorry to hear about Shane. We just heard today or we would have been there for you.
If we can do anything, let us know. May God Be with you during this time of sorrow.
God Bless,
Kathy, Kristy and John Michael

“ I only knew Shane for a couple of weeks. But I knew from the minute I met him, he was someone I needed to know better. He was the person I'd had been looking for, for such a long time. We clicked the moment we met. Such great memories packed in a short time: me hanging out with him all Saturday as he worked on my sprinklers (I knew he didn't mind me getting in his way!), dinner at Cheddars, sitting on his patio talking about the upcoming trip to Galveston. I have lost a future with an incredible man but gained an amazing family to know forever.

Thank you all for accepting me so readily into your family. I wish I could have had years with him and you together. I miss him so much and my heart aches for all of you for your tremendous loss. I could tell his whole life was his family.

God has His own plans for our lives. Sometimes it's hard to understand the timing of things, but we have to trust Him, no matter how difficult that is. Shane is with God now and we know he is in no pain and is peaceful. We WILL see him again when we join him.
