“ To all of Ken's family and friends:

I was very sorry to learn of Ken's passing. He was a great colleague as we and others served as planning volunteers for Leadership Tyler some years back, helping lay the groundwork for the program's revamping. More recently, I brightened up as Ken and I reconnected in a successful effort to give the SCORE group some air time on KTBB. Ken will be greatly missed, and I will always remember the time we spent helping Tyler become a stronger community.

“ Ken was a huge encouragement and support when we started Tyler Type One Diabetes Foundation almost 10 years ago. He was gracious and kind and always gave us helpful advice along the way. His 40 years of experience in banking and business made him a mentor to many. I was sorry to hear of his passing today. We hope and pray for the comfort of his wife Laura and family. Ken will be missed.
