“ For a brief few years we met a new cousin, Kenneth, who became one of our dearest family.
How blessed we were to have the Texas Machemehl's . We will always remember Kenneth as the quiet one, with a cute smile and a twinkle in his eyes. In his soft voice, he held us in awe as he spoke of his MaMa, his childhood, his church work, his family and the new home in Tyler. How we wished we could have seen him dance with Beverly. He would be all smiles as he spoke of the dances they enjoyed together.
The memories of Kenneth will be with us forever and may God be with Beverly and the family always.

“ Debbie, Todd and Brandy,

I was saddened to hear the news of your loss. Debbie, losing a father who sounds like such a wonderful man, I'm sure is quite painful, but know that he is smiling in the face of Jesus at this very moment and lifting you and your family up in prayer. Todd, I'm sure you were a wonderful son-in-law and will be a comfort to Debbe and her family. Brandy, I only knew one of my grandparents and it was my "Granddaddy". It is a special relationship that will always warm my heart as I know your sweet memories will always do the same for you. Give your mom a big hug for me and know that you and your family are in my prayers.
God Bless you all,
Jill Ralph
