“ My name is Kelly Price. I am a former teacher from Andy Woods Elementary School. It was my privilege to call Evelyn and her husband my friends. I remember Kenneth worked as a crossing guard for Andy Woods. He always had a big smile for all the little children when they came to school. I can picture he and Evelyn driving off together when school was out. They were a sweet team. I think they deserved each other because they were so loving and kind to each other and in turn to all who knew them. May God comfort all of you at this time. I have been praying for you.
