“ To Kenneth's family I send my prayers and thoughts at this difficult time. Kenneth was such a caring person, and he was so proud of all of you. We e-mailed the last few years and I felt close to him again. He worked hard, loved his family, and knew how to have fun. That is a tribute to a good man.

“ Smitty and I worked together at Tractor Parts for over 5 years. He and I had many laughs and shared many days of work at Tractor Parts. He was truly a fun person to know and be a friend to. Our families road motorcycles together and spent two vacations on South Padre Island riding dune buggies. We had a lot of fun. We also road motorcycle trail rides very often. I know his family will miss his quick wit and sense of humor. My deepest condolences to the family.

“ To Kenneth's family I send my prayers and thoughts at this difficult time. I knew Kenneth many years ago and he had a tremendous influence on my young life by the way he so calmly dealt with everyday problems that the world had to throw at him. Thank you for those lessons on life that you so unknowingly gave me. May GOD bless and keep you all in this difficult time.

“ Loving Kenneth was easy. He had the heartiest laugh and an easy-going smile that you had to join in. He loved his fishing! He taught me how to slalom ski while camping and fishing at Cedar Creek lake.  
I will always cherish the moments we shared!!!!

“ Ken was a wonderful brother and such a fun-loving person. I spent a few weeks every summer at Ken & Bobbie's growing up. We would water ski, ride bikes, and always had fun. What wonderful times we had as a family on Lacy Street - all the holidays we spent together there and continued at my house. Brother was a one-of-a kind and I will miss him terribly. To Keena, Dennis, Lynda, Jake, Brittany, & Cody: Please know that the door is always open at our house. We will keep his memory alive at our family gatherings and we'll all be together again one day. God Bless you all.

“ Though it has been a while since we last corresponded...really enjoyed the humor and reminiscing of our 'days of yore'...Kenneth and I were classmates and went to the same church (Palestine) as well as, Bobbie Nell Neel....Mama told me that we were kin to Bobbie Nell's parents.

*I hope you, kids, have a good strong faith to see you through this time...Your Dad will live on in your good memories/times and will become more dear as the years pass.*

*Keep God close to you, every day...he will see you through...

“ I was sad to see SMITTY had passed away. I was a young divorced mom with an infant when I started working at Rutledge Equipment in 1978. My job was to check the HOT LIST of needed parts on the Telex. I was going through a difficult time & Smitty kept me in stitches with every phone call. He was on my mind all summer. Hadn't thought of him since 1980. So I Googled Tractor Parts, Tyler Tx. And Smitty's Obit came up. Why I was thinking of him, who knows? You don't realize how important folks are till many years later. My sincere sympathy to Smitty's family. He was a corker!
