I met Robert through my son Nick Posey. He was a great guy. He always had a smile on his face and he always hugged my neck when he came by the house with Nick. He introduced me to Shiner dog..Shiner dog was a gentle giant, and lovable as he could be when Nick took Shiner. I didn't know what to think about him because he was so large great Dane, when Nick joined the army, I soon took Shiner in and fell in love with him. Robert even came by the see to how he was doing. He holds a special place in my. Not sure how him and Nick met maybe at TJ C. I know they were roommates and we're like two peas in a pod .He will be truly missed, and he always had a smile on his face and always gave me a hug when I saw him . I didn't see the obituary till after the fact, you have my prayers and my condolences.. Stacy Posey

“ Robert was a huge part of our Monument Land Resources family. He will, and has already been, deeply missed. He was a great Crew Chief and leader. Robert was well liked by his team and continually went out of his way for the better of the team. Our thoughts and prayers go out to Jennifer and all of Robert's family.
