“ *Sweet Kerri! She was so much fun to be around with all of her energy and fun-loving ways! “ *Kerry was that special soul that could light up your heart with just a smile, laugh, or poke in the ribs from behind as you walked down the halls between classes. She was truly an angel on earth and will be missed buy all.*

“ Will never forget the first time we met Kerry  
Jim brought this bubbly bouncing blonde girl in to meet us  
Whirled in like a lil tornado.....  
You couldn't help but like Kerry  
And through out the years...she was the same  
Also remember the times she would call me to talk about the bible  
study's she was in  
About some lil old lady working in a flower bed she stopped and  
asked a complete stranger could she to help her with it.....made  
friends  
Kerry was searching for contentment  
Remember the time she came to our church...loved what she felt  
She said I wish I could just feel this way forever  
I pray that she's finally at peace...fully contented now  
Rest in Peace Kerry.....

“ I loved being around her. She was the sweetest person. What a great sense of humor. She had a contagious positive attitude. All my buddies John, Kevin, James ,Andy, we all loved running into her. It was like we were going to have lunch the next day because we were fast friends with her. I wish I could have said goodbye. I would suggest we all call someone we love or appreciate from our past and let them know about it. Not everyone should do this. Just those with some grey hair. That may be everyone. Kerry was just a loveable person. Little gal.....huge loss to each of us.
