“ I am heart broken over Kevin's untimely departure to God. He will always be in Mary and my thoughts and prayers. I could not have ask for a better work buddy and friend. I am having a hard time with this. His family will be in our prayers. He was there when I needed help and would give the shirt off his back if you needed it. I will truly truly miss him. No doubt God has received a good one. Mary and I now will focus our thoughts and prayers on Vicky and give her any help we can. We fill like Kevin would want this. I am so sorry that I was unable to be there. We love you and will try to come down soon. May God be with all of you. Love Cliff and Mary

Please accept my condolences for your tragic loss. I met Kevin only once - at my granddaughter's adoption anniversary party. He demonstrated his selflessness in a most concrete way. Instead of mingling as a guest, he went right to work, taking photos the entire time - and sharing them freely with us afterwards. I can only imagine the hole his passing has left with his family. You are in my prayers. Joan Doss, Lufkin (Dede's mom)
