“ Mike, Tyler, & Ryan, I loved Kim very much. I will miss her smile and her infectious laugh. From our first meeting at Holloway, sleepovers for the kids, being her bus monitor, parent teacher nights, her help with my daughters wedding reception, playing volleyball with the kids at the Churches lake lot, Through it all Kim was fun and gracious, and more than that she was my friend, I will miss her more than words can say..

“ I met Kim when my daughter began pre-k at Cain. Never would I imagine loving her or her loving us as if we her own family. To my children, she was known as MawMaw Foud, and she felt like a mom to me. I can't express how sad I am, but how thankful I am that she was apart of my families life. She will forever be missed and never forgot. We love you and see you again in Heaven

“ I'd like to open my heart to your family in this very tough time. I have only worked with Mrs. Foudy for a short time since coming to work with the school last year, but since my start she was always a wonderful spirit to be around. I wanted to let you all know how much she talked about you. You guys were her driving force everyday. I remember her telling me the story of how she met you, Mike, and how she knew the second she saw you she was going to marry you. You were the man she had always envisioned. There was not a day that went by when she didn't mention her boys and how handsome they were and how proud she was of both of you. We had the pleasure of sitting in front of you guys at a recent football game. As the band entered the stadium your Mom came up to my side and could not wait to point you out to me, Ryan. And she often spoke such wonderful praise of you Tyler. I know there is nothing that can be said to heal your hearts. But I wanted to share with you how much she loved you all and how proud and thankful she was to have you. I will miss seeing her everyday.

“ I remember when my brother, Mike, called to tell me he had met Kim. I knew right then that she was the one for him. I'm blessed and honored to have known Kim and had her as a part of our family. I've always told Mike he married well...and he did. She will be missed, but we rejoice in knowing that she is in her heavenly home.
