“ Kim,

I Love You.....

I Have never seen an Owl in the wild, the night we got home from the Service there was a screech owl setting in a tree right outside my bedroom window, he was making such a racket. I looked out. He looked directly into my eyes and held the stare, it took my breath away . Owls are a good omen they say, actually there were two owls, so just maybe it was you and Melanie saying Hello. Maybe it was you getting that last word.....

You will be missed daily, I loved you more than you ever knew !
