“ Kristen was in my grad school cohort, so we shared all the same classes. The first interaction I had with Kristen was after one of our classes. I just had a major surgery repairing my Achilles tendon. She and I stayed after class to speak with the professor. After my turn speaking, I got emotional and my eyes welled up with tears. I quickly wheeled to the bathroom (I was on a knee scooter), and Kristen followed and gave me the biggest hug. Her kindness calmed me down that day, and she radiated happiness wherever she went. I'm praying for her family during this difficult time, especially that they find comfort in knowing Kristen is at home with the Lord.

“ Kristen was in my class in Spring 2018. She's a joyful, sweet, and nice student and liked by her professor and classmates. She had a passion to help children with diabetes and was ready to use her MPH training to make a difference. Kristen will be missed by all of us in Aggie family.

“ My very deepest sympathies go out to Kristens family and just know that God heals heart aches and grief. I worked with Scott at a very hard school physically and many times we talked about how thankful we were for our kids. I know how much he loved all his kids. Just remember that God is with your family and will take this pain away. *Billy White*

“ Sweet Moss family- you all are in my prayers. I have such sweet childhood memories of playing with Kristen and Katie (and our Cady) in the hallways and classrooms after school at Carlisle. I will never forget her showing us one time when we were shopping in the Longview mall that she liked to go up to a pair of pants in a store and tie the pant legs together. We thought she was SO funny. I did that off and on growing up and always thought of her. I think I may have to go do it again, in her honor, the next time I go shopping.

“ This is Erin Berkey, and my husband Tod and I run the singles ministry Kristen served with. She was one of our leaders, and helped us with numerous other things like an annual international student furniture giveaway and our 13 year old's birthday party! She was always willing to serve and did it with such joy. We treasured our time with her and know she is with Jesus! We miss her dearly but know we'll see her again when we get there. Many prayers for her parents, sister, and brother-in-law; along with extended family and friends. We are so thankful to have known her.

“ I loved having Kristen in my second grade classroom at Carlisle ISD. She was a precious, petite, gifted young lady that was a blessing to teach. I remember her cute little smile and her excitement of learning new and different information. Her talents were so numerous. I was also blessed to teach with Lisa who was a jewel...always kind and caring. My love and prayers are with this sweet family.

“ *Kristen was such a wonderfully sweet person, with an infectious laugh and smile. She always made my day brighter, she had such a brave and giving soul, always positive and always willing to lend a hand. It was a treat each day to see what new outfit she would wear, and to share our love of all things furry, including unicorns. She was such a pleasure to work with, and will be greatly missed.*
