“ Arab will always be an everlasting memory of the good times, laughs, and dedication that made Him who He is. He is alive and present with Our Lord. He now knows no pain, and He in eternal comfort. It was a pleasure to have had the time to sit and share stories with Him about all the great fishing spots, and to hear Him tell tales of deer hunting. His commitment to Safety on the job and at home was known by many. He would get up in the middle of the night to help someone with a fire. May God comfort you in this time when We all thank God for His loving arms wrapped around Larry. "Welcome home Son, job well done" Gary McClain

“ My deepest sympathy is extended to all of the family and I share in your sadness. Larry was always so full of laughter, peace and love. He brought joy and happiness into the lives of everyone, and his passing will leave a great void in the hearts of all who were fortunate enough to know him. I feel truly blessed having Larry as my nephew and will miss him so very much. I pray God will provide the strength and comfort we all need to get through this time of grief.

“ *Jean, Linda, Larry Jr. and Jason:*

*Your Dad was a very loving husband, brother, and father. He loved you boys, with all he had in him. You were the light of his life. Since we moved away from Arp, every time we came back Larry, would always talk our arms off. He was a good brother to you Linda. You will miss him. Just remember someday we will all get to see him again.*

*Jean, you were the best thing that happen to Larry. He loved you, you were his helpmate. My favorite Bible verse is John 14:1-7. Hope it brings peace to you all.*
