May 30, 1933 - February 29, 2020

Leroy Dubberly passed peacefully on February 29, 2020, at the age of 86. He was born and raised in Prosper, Texas, to Gertie and Jim Dubberly. He graduated from Prosper High School and received his Associates Degree from the University of Texas at Arlington. Before joining the Army in 1953, Leroy married the love of his life, Evelyn Perkins. He served 2 years in Germany as a radar operator before returning home to meet his first child Lynell. Leroy and Evelyn settled in Bedford, TX where he worked for IBM as a field engineer and retired after 28 years. Leroy was a very active member of St. Paul United Methodist Church in Hurst, TX, where he served in numerous positions, including board member, choir member, Bible Study and Sunday school teacher, "Follies" Director and, most important, women's softball coach. As a self-taught guitarist, he enjoyed playing and singing with friends and family. His love for music continues to inspire his children and grandchildren.

Leroy's retirement years were spent in Athens, TX where he and Evelyn built a beautiful lake home, enjoyed time with dear friends, and discovered new ways to serve his church, neighbors and community. A Godly man, Leroy sought to intentionally reflect Christ every day.

Leroy was preceded in death by his parents; siblings, Gene Mashburn, Ray Dubberly, Tom Dubberly and Ruth Houser; and granddaughter, Jessica Rachel. He is survived by his wife Evelyn, with whom he enjoyed over 66

“*Leroy was the example of how God would have us live our life! Leroy always took time to listen and show his love. If I had to use one word to describe him and his legacy, it would be LOVE. I will miss his example in my life!*

“*Unfortunately, I lost track of Leroy and family until FB came into our lives. I grew up on a farm just east of Leroy's parents farm. I knew all of the Dubberly's though I was much younger. I visited Leroy's parents many times as a boy and each time Leroy was home, I would ride my horse over to sit and talk with him. He was always so nice to this kid who looked up to him, both figuratively and literally. The Dubberly's were good neighbors and I loved them like family.*

I am only sorry that I did not make a bigger effort to visit with him after we made contact. I live in Arizona but still could have arrange a visit.
