“ *I am so saddened by this sudden loss. The first day I met her she welcomed me to her home. She was so much fun and had impeccable taste. Her homes were all designed beautifully. I loved her laughter and her love of family! I will miss her dearly. You always think you have so much time left to call and say hello. You don't, as this passing has taught me. I send all my love to Chris and Claudia and her family. I sadly can't be there as I wish I could be. Love you all. Sending hugs.*

“ Chris and Claudia, I was deeply saddened with the news of Letha's passing. She was such a delight to be around with her beautiful smile and contagious laugh. I will always cherish the memory of our bus trip to Shreveport to celebrate your (Chris) birthday, and then there was Keith's addition! I truly love the memories from our Destin trip with our girls! I could not help but hope that Keith and Mark greeted Letha upon her heavenly arrival. Please know you all are in my prayers. As Cindy shared, we know what you're experiencing. I will see you at the visitation. Love to you all (Pam Rossman)
