“ *My thoughts and prayers are with your family during this sad time. I know Linda is finally home and her loveliness fills heaven with glory. She was one of the most gracious women I've ever known. Her pleasant demeanor could even make me want my picture taken. Having grown up in Tyler, living across the street for several years I was blessed to have known her and will cherish my many memories of our visits together. May God Bless your family during this time of sorrow.*

“ Dear Bob,

*Regretfully, I did not know of Linda's memorial service until it was over. I would liked to have been there to honored her.*

*I do not need to tell you what a kind, sweet, agreeable person she was. It was always a pleasure to see her and visit with her. You were certainly meant to be together, she complimented you and it was evident that you adored her, even when you were gruff. How great to have that special relationship.*

*Right now, it probably seems almost impossible to go on as usual; however, you will. One reason, you have to.*

*Paige and I always appreciated your and Linda's ability, personality and kindness to us and are deeply sorry that you have had heavy burdens to bear. We are thinking of you and praying for you.*

*Sincerely,*

*Joy Prince*
