“ I was saddened to hear today that a sweet friend had passed away. We met Miss Linda about 17 years ago, through Pirtle Real Estate. She was such an awesome person to be around, great at what she did and made you feel so very comfortable. We were so eager to purchase a home at that time, when our eldest daughter ended up being ill and we had to put buying a home on hold. It wouldn't be until after the passing of our precious girl that we ran into Miss Linda, she was deeply sorry about Brooke's passing. We had a nice conversation and she told us whenever we were ready to buy that home, she would help to make it happen. We went home and discussed it and decided to give it another shot. She was so sure she could get us into one and she did just that. She went out of her way to do everything possible to get us into the home we wanted and made it possible that our down payment was less than our monthly payment. She was true to her word. I was wondering what happened to our annual Christmas card and we no longer ran into her around Whitehouse. I couldn't thank her enough for all the blessings she helped us to have in our home. She will always be remembered and loved by her Whitehouse friends. We know we will see you again! Love you Miss Linda!
