“ Rest in arms of the Lord, my friend. Though time and distance were barriers, our friendship endured... What a blessing that was. The memory of your fun loving spirit and pleasant laughter will be forever impressed in my heart. Rest, rest; and, may we all celebrate the life you lived here on earth as well as your life anew in the Lord.

Loved & cherished,
Cari

“ We remember that Linda had a way with hats and wore them well. We thought she must have had a different hat for every occasion.

“ Yes, Kenny, this is a time of utmost grief, Linda was having happy thoughts and I loved her dearly. Be with your friends, we need to be with you too. Linda had a heart of gold and a smile to match. I will miss my partner in crime.

Hours out by the pool, piddling with the plants in the garden, our long conversations, solving the problems of the world and our lives. My confidant, my sister, my friend. My life was totally enriched by having Linda in it, all happy memories.

“ Ken, I was devastated to learn of Linda's passing. Getting to know the two of you over the last year was wonderful. Linda is simply a ray of sunshine with one of the biggest hearts of anyone I have ever met. I am so terribly sorry for the loss of your wife, your partner...your best friend. Please know that my thoughts and prayers are with you and your family during this very difficult time. I pray that you will find the strength to lean on family and friends and take comfort in having your kitties around you. I will never forget her wonderful smile and warm, kind heart. I am just so very sorry.
