“ Buddy and I met in the warehouse at LaGloria when I was a millwright for Brown and Root during the 79-81 startup. He always had a smile and a handshake for anyone. He would be glad to help you if you needed it. Buddy put a word in for me to be hired. We stayed friends throughout his career and even let me and my Lab Snoopy hunt a time or two. Great times. I did see him at his old haunt I-HOP and we would laugh and reminisce. I am sad that I did not know until today that Buddy has gone home to help LORD JESUS with the building for his children and the eternal perfect Duck slew we will never see on earth. He will not easily be or soon be forgotten. I pray 🙏 for peace, comfort for the family and I am excited to see him again in Glory!

“ *Mary Ann & Chris (Christian does not pop up easily as Chris does for me!), We are so thankful to have known Buddy. He was always a great football dad--supportive & interested but never hovering or pushy. It is a sad day that Buddy is gone from this world but what a victory to be assured that he will be waiting for all of us....& that we will join him soon! We send our deepest love & sympathy to your special family. We are sorry to not be able to join you in person but will surely be thinking of you as you say goodbye for a while to such a special guy. We love you! Larry (Coach) & Cindy Richmond*
