“ My sincere condolences to Gayle and her family on the loss of her beloved mother. Gayle sweetheart, from the conversations we have had about your family, I know what a close and loving family you have. Your Mom raised a beautiful family. She would not want you to cry over her passing. What a wonderful thing that the Lord blessed your family and everyone who knew your Mom by leaving her on this earth for such a long time. You and your family are in my heart and in my prayers. Peg
