

LuAnn Prilop Hill

December 20, 1951 - June 14, 2022

LuAnn Hill, 70, resident of Edom passed into the arms of our Lord on June 14, 2022, with her family by her side in Tyler at The Hospice of East Texas.

LuAnn was born December 1951, in La Grange to George and Dolores Prilop and raised in Angleton along with her brother and sister. LuAnn graduated from Angleton High in 1970 and was active in the band. As dedicated parishioners, LuAnn and her family spent her formative years as an active member of St. Basil's Catholic Church, now known as Most Holy Trinity Catholic Church.

In 1973 LuAnn graduated from Brackenridge School of Nursing and began her nursing career at Brackenridge Hospital in Austin. LuAnn met the love of her life Kevin Hill while working nights in the Neonatal Intensive Care Unit and in 1975 committed themselves to the Holy Union of Marriage at St. Ignatius Catholic Church in Austin. Beginning their lifelong love in Austin, Mr. and Mrs. Hill shortly started their family with the birth of their first daughter in 1976 and moved to Temple where LuAnn began her love filled journey as a mother. They soon moved to Tyler growing their family by three more children and started their business, CPS Medical, which has provided medical equipment and respiratory care to the East Texas community for the past 42 years.

LuAnn was a modern and busy woman, balancing the responsibilities of

lovingly raising four children and managing operations for a successful and growing business; all while fiercely loyal to both her children, husband, and employees who she viewed as an extension of her family. In 1992 LuAnn, Kevin, and their four children moved from Tyler and built their dream home on their hilltop property in Edom. LuAnn embodied a quiet, caring, and nurturing spirit and was a lover of all things that grew and needed care. She enjoyed gardening and living in the quiet country air while caring for stray and injured animals in need of a loving home.

LuAnn Hill is survived by her husband, Kevin Hill; children, Allyson (Loren) McDonough, Matthew (Meghan) Hill, Aaron (Olivia) Hill, and Madison (Trenton) Peterson; mother, Dolores Prilop; sister, Alice Prilop; and brother, Don Prilop (Robbye); as well as grandchildren, Ashlyn, Meaghan and Liam McDonough, August and Oona Hill and Orion Peterson.

LuAnn Hill will always be remembered by her quiet but fiercely caring demeanor and her strength to carry on with grace and positivity.

“ So thankful to have been LuAnn's classmate. Kind, gentle person. I know her family will greatly miss her. So sorrowful to hear this news. Proud to know she became a nurse. She was very smart and came from such a nice family. Love you LuAnn.

“ I met Luann on April 5, 1995 and worked for her for 27 years. She was so much more than a boss she was a friend and confidant to all. We worked hard for her because we loved her but we also laughed a lot because we loved her. I remember the first time she referred to us as her friends. Kevin had bought her a box of Godiva chocolate candies and she opened them and shared them with us. Kevin came through the office and said those are expensive candies and you have them out for every one to eat. Luann sweetly said, I'm sharing with my friends. What a special lady Luann is and what a special family she raised. I love you all. Last of all I want to say what a testimony Kevin and Luann were of true love. They loved each other so much and it spread to everyone around because I never saw them treat anyone less than they would want to be treated. Luann I will always consider you one of my heroes as I have walked through this life with friendship, guidance, and leadership. Rest In Peace sweet lady

“ I have been working with Kevin and LuAnn since Feb 2007. Although I only met LuAnn in person one time (at their son Matt's wedding), she always treated me with kindness and respect, and was never more than a phone call away. They are some of the best people I know, and have treated all of their employees like family. As the family wrote, she was a caring and selfless person and will be dearly missed by many. God bless the Hill family, and the CPS Medical family, especially during this time of grief. May He hold you close and grant you all His perfect peace in His perfect time. Love, Karen Mockler

“ On May 17, 1975 I had the high honor to be the best man in Kevin and LuAnn's wedding in Austin, Texas. It was a lovely wedding and a beautiful reception. LuAnn was a very beautiful bride and Kevin was handsome and on top of the world! Kevin and LuAnn went on to have a wonderful marriage and raise four brilliant, talented, and Christian children. We visited together over the years and the happiness and wonder that Kevin and LuAnn shared was exciting and contagious. They had a great marriage, wonderful children and worked side by side over the decades to build a powerful and well respected health care business that itself contributed to the health and welfare of the entire Tyler and East Texas area. LuAnn worked hard, cared deeply and always gave of herself without complaint or regret. She was a wonderful Christian lady, wonderful wife and mother and an inspiration to all who knew her. She will be deeply missed by all who had the good fortune to know her. God Bless her Memory and her Legacy. Respectfully, John Hall
