“ *My sister, my friend. My heart is heavy right now but I'm so thankful I had the opportunity to talk to you before you started your journey to a place we all hope to see. Little did I know that would be our last conversation. I remember your words were God is so good and merciful you were thankful for his blessings. I'm thankful too, that the Lord allowed you to be in our lives as long as he did. I want to thank you for your time, for your commitment for your love you showed to each and everyone in the church. Your smile along with your wonderful spirit will be missed greatly. I love you and one day I too will see you again.*

“ I don't have the words to express how thankful I am for the friendship we shared for over 36 years. The memories of our children playing together, the overnight stays, the good and trying times. All were a part of a wonderful long term friendship. You were such a wonderful sister, your faithfulness and commitment to the Lord and his way, will always be a great example. I still think of all those trips to Canton, the time we got caught in that flash flood (lol) you were so calm. We laughed so hard about that mannequin floating by us. I look around my living room at how you helped me redecorate, and now I never want change it. Your style was simple, yet so beautiful. The things of God were very important to you. You wanted to know what he loved and what he hated, as you so wanted to please the Lord. My dear sister, you will be sorely missed. Your shoes will be hard to fill. The talent you had for a great finished look in everything leaves a lasting legacy. You ran a good race and you fought a good fight. It's so wonderful to know and have confidence that your soul has found rest in Lord. I can't wait to see you again, my Sister and my Friend.
