“ Annie, I was reading Luby's obituary and couldn't help but smile, reading the honorary pallbearers, what a bunch of sweethearts, just like Luby. You know we all had so much fun and what a great bunch of teachers, administrators and friends. Luby, would always just give me that smile, like what do you need now, then saw, hammer ...fix, whatever. He and all those people were truly wonderful to be around. I just wanted you to know I was thinking about you and an old friend. Sincerely,  
Janice McKenzie
