I miss you and I treasure all the memories of long hot summers in Troup, Holidays, and all the little girl manners and morals you instilled in me. You helped mold me into the woman I am today. Thank you. I miss you now but I will see you again in that Glorious Forever Home that our Lord made for us All.....

“ *I will always remember Lynda's laugh and love of life! We were friends in high school and our mothers were friends as well. We lost touch with one another after high school and I saw her about 4 years ago at a high school reunion, it was so good to see her sweet smile again and talk to her. This world lost a very good person and I will always treasure my memories with Lynda. My thoughts and prayers go out to her family*
