“ We have such fond memories of conversations with Lynn over the last few years. Though we first met in 1985, it was as though we had discovered a deeper, more meaningful relationship and it was full of joy. The loss of that friendship is sad, but may we learn the important things in life as Lynn had.

To Betsy and Brad and Hunter, may your memories sustain you of a life well lived. We wish you God's grace and peace.

Thank you, God, for the opportunity to share life with one of your own.

“ Dear Brush Family, my sincerest condolences and prayers go out to you. Although it has been many years since we have all seen each other, I still remember how kind Lynn was to me as a young man growing up in Tyler. I truly hope that everyone finds peace in God during this sad time.

“Lynn was like my second Mom. She was there for most of the milestones of my life growing up. She was also there a lot of times when life throws you lemons. She loved my children as if they were her own grandchildren and she loved my husband as if he were her son-in-law. My Mom and I would've never survived Rose Festival 1986 without Lynn. Without Lynn I doubt I would've ever been in a Sorority. She had us so organized for Rose Festival and for Sorority Rush. She was always so fun growing up and I have so many happy memories that include Lynn. Lynn Brush was truly a blessing to my life and to the lives of my family members. I miss her terribly.
