“ Dear Family, I offer my deepest condolences for your loss. May the God of compassion provide your family with comfort at this difficult time. (Revelation 21:4, 5) I'm sure that words could never ease the pain and heartache that you are suffering. May God's love touch your hearts with his future promise at Acts 24:15. You're in my prayers.

“ Though we lost touch over the years, I have great memories of our BBA Fishing Tournaments back in the 80s. Couples fished as a team, so Buck would drag Lynn out to the lake of choice each month. Now getting there early was important to Buck - not so much to Lynn. She commented more than once, "It's so early even God isn't awake at this hour!"

One Friday night in an effort to get Lynn on Lake Fork ready to fish by 6:00, Buck set the clocks forward two hours. Never realizing it, Lynn stumbled out of bed, gathered her things and together they made the trip to Lake Fork only to arrive more than an hour early where they sat and waited for the rest of us to show up. I can hear Buck saying, "Wa Ha Ha Ha!" while Lynn "cursed" him under her breath.

Good times! Great friends! Wonderful, cherished memories! Our prayers are with you Buck and Jennifer.

She had a wonderful sense of "keepin it real" humor which showed up often in her lectures. She will be missed. “ To the Buchanan family, my deepest sympathy. I had no idea Lynn had been so ill. Knowing Lynn, she fought hard. She will be missed by not only her family, but so many medical staff professionals around the country. I knew Lynn when she was with the HealthOne system in Denver. I always admired and respected her from day 1. Her knowledge and expertise in the field of medical staff services was beyond reproach. May the family feel God's presence and comfort during this most difficult time.

“ I'm truly saddened by the news of Lynn's passing. She was a great friend to all of us in the Medical Staff Profession. She helped me tremendously when I first started in this field 14+ years ago. I remember when I first met her and had the opportunity to sit down with her to ask her a few questions. I know I must have had the "deer in the headlight look of holy molly what have I gotten myself into" look on my face; she just laughed her laughed; put her arm around my shoulder and said "welcome to the other side Kid...you're gonna be fine." My thoughts and prayers are with you all.
