“ *She was the most giving and caring person I know. She always helped everyone else before herself. She ment the world to me. We shared the same birthday which made us even closer. I hate that I can't be there for the service but she will always be in my thoughts and in my heart.*

“ *Refus, Kenneth & family,*

What a legacy of love and memories your mother left behind. Aunt Mabel always inspired me by her faithfulness to her church.

On Wednesday nights, I would come by and pick her up and she would always have some cookies for Julie and Chris, because she didn't want them to get hungry before we got home.

Sometimes, I would drop by the house and Aunt Mabel would have on her apron in the kitchen cooking . Her kitchen always smelled so good.

No matter how busy she was, she would sit down and visit with me ,talking about how she loved Jesus and her family.

What a blessing she was to me!!!

God reveals Himself in very big and small ways and we thank Him for every evidence of His care. We can rejoice in knowing that your wife, mother, and friend is in the presence of her Lord.

May we never lose the wonder of that incredible truth!
