“ I never met you personally, but got a picture of your sweet spirit from your beautiful daughter, Glenda as she shared stories about you. I know your ordeal has been tough but may you be at peace now with Jesus and your long life is a tribute to the goodness of your soul and spirit here upon this earth. I know your children, grand-children and great grand-children will find comfort in the wonderful memories that they have and hold in their hearts. Rest in peace, precious one.
