“ Your family has been in our hearts and in our prayers since we came to work on Monday morning and heard the news. I just wanted to let you know how special Malorie was to those of us who were blessed to meet her, even if only briefly. Sometimes God blesses us with patients who touch our lives in a way that makes us feel fortunate, and blessed, to do what we do...and Malorie was one of those special souls. I can still hear her saying “..OK Patti with an ‘i’ for intelligent..”...she said it with SO much conviction and determination.....and I appreciated it SO much!! :)
Patti

"Dear lord, please infuse love, strength and peace into this family in their time of grief. Please cover their hearts with joyful memories and help them remember what your word says about us all meeting again one day in your kingdom..."
Amen

“ My thoughts and prayers have been going out to you since I heard the news. I have known Malorie and her family since we were small kids. We lived on the same street and if I wasn't at their house, Melanie and Malorie were at mine. I have so many memories that I will cherish for the rest of my life. I am so grateful that her and her family are a part of my life. I love you all and will continue my prayers. Lost so young but will NEVER be forgotten.
