“ My condolences to the family of Mrs. Ethridge. May you find comfort in the promise of GOD that he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore.

“ Please accept my sincere condolence for your loss. To lose a loved one at any age is hard and the time spent with them never seems enough. That is because God created us to live forever, but unfortunately, because of the Adamic sin we fall short of that. So God made the way out for us by sending us his son, Jesus to ransom back what Adam lost. I hope you can find hope and comfort in God's Word of a resurrection, John 5:28, "Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out." We can have faith and hope in this promise along with many others. Also, hold on to the good memories you have.

“ Grandma will truly be missed. She was an inspiration to all of us. As I was growing up and her and Papaw living so close to us she was always there for me no matter what. I will always remember the German Chocolate cake she made every Christmas for me. She knew that was my favorite. She has lived a wonderful 100 years and even though it is sad she is gone, we can rejoice that she had a wonderful life, and we will see her again someday.

Aunt Martha, she loved you so much and you were a special daughter to her. She looked forward to your phone calls every night. Dad, you were her oldest and there is always a special place for the oldest. She had you when she was 18 years old, so you and her actually grew up together. That will always be special to you.

Mom, you were the rock that kept her going all these years. You took wonderful care of her for the last 18 years and I know she was very grateful for all your love and caring that you gave her. She was never a Mother-in-Law but a Mother to you and you showed that in your caregiving to her. Thank you!

We need to remember she is in a better place now, she can see and hear now. She is with Papaw and Uncle Pat, and Uncle LeeRoy and especially with Jesus.

Love her always.

“ *What a beautiful and caring Grandmother. Our family is blessed to have had her with us for as long as we did. I am sure all of the grandkids remember those wonderful Christmas Eves with her and PawPaw. And it appears she was a bit sneaky, because I always remember the German Chocolate Cake that Judy mentioned as being especially for me since it was also my favorite. Mother she loved you dearly which was evident from the smile on her face whenever I went to Tyler with you. I know you weren't able to see her as much as you would have liked, but sometimes quality overrides quantity. Thanks so much to Aunt Sunny & Uncle Charles and all the cousins in and around Tyler that made such a wonderful effort to spend time with her at the nursing home. We will miss her.*

“ *Louise Ethredge was always such a sweet lady in the church. When visiting her Sunday School class with Dessa Dipboye, my Mom, it was always such a pleasure to talk with her. I will always have fond memories of those ladies who were such good friends.*

My condolences to all of the family at this time. Prayers are being said for them.

*Fondly,
Shirley Way*
