“ *I am so sorry for your loss and wish I could have know Marcia, especially since I see we were the same age and attended Tyler Junior College at the same time. We could have shared some great memories from those days I'm sure. May the Lord give you comfort during this time and soon replace your sorrow with wonderful memories of your precious wife.*

“ What great memories. Your promotion to your eternal reward is certainly your gain and our loss. We cherish the vacations, cruises and times together. Shared dinners, played games, prayed together, played together, cried and laughed together. We shall miss your beautiful smile and words of encouragement. We'll see you soon!
