“ *I can just hear Lucille laughing . She was such a support and encourager to a young Head Nurse at TMF in the 70's to me. Lucille has always held a place in my heart of appreciation. I have looked for her in the Directory at times through the years but did not connect. Alice, she was so proud of you. I remember Lucille speaking of son and daughters. Lynda Tippitt told me she had seen you, Alice , recently . Prayers for your family. God Bless. My love of your Mother is in my heart. Sybil Klearm*
