“ Dearest Mack, Rita & Mary,

My heart is broken to learn the passing of Margaret. You may remember how close we were, sharing our lives together in our 20's. I loved visiting with all of you & eating at your family table when your mom prepared her famous Mexican dishes.

Although Margaret & I did not stay in close contact over the past several years. she did call me a few months back prior to us moving from Arkansas to Spring, TX. We laughed & reminisced about the many adventures we shared - a two week driving trip to California, me taking her to see Elvis on her birthday, trips to New Braunsfels & Surfside I have so many pictures of those times together. She called me her BFF.

I'll close for now, but just know that I loved Margaret dearly. My heartfelt sympathy goes out to all of you, her family who meant so much to her.

Rita, I only became aware of Margaret's passing yesterday & I am
heartbroken. I have such precious memories of her. Please accept my
deepest sympathy to you & Mary. While going through emails that
Margaret & I shared, I found one that contained pictures that were
made in the early 70's. If you send me your email, I will forward to you.

“ Dear family,
So sorry for your loss. Margaret was a special lady. She was in my Newcomer bunco group. We shared a lot of laughs and fun together and she was a good bunco player. She will be missed.
