Maria, I will miss you. You can now read the readings in heaven for your father and Heavenly Father. May your family remember the good and wonderful times they had with you. Rest in peace. Martha

I met Mia several years ago, after she returned to Tyler, and I saw in her a sister in Christ. No matter how many problems and losses she encountered in life, her faith remained strong. She loved her family so much, and she loved the Holy Trinity and our Blessed Mother even more. She was always comforted by the knowledge that Jesus and His Mother Mary loved her unconditionally and would always keep her in their watchful care.

Rest in peace, Mia. Be comforted, her family.

“ It was a pleasure getting to know Mia over the past 4 years. She was strong God loving woman and through our late night talks taught me to "not sweat the small stuff, because God always provides"...and she was right. She was a wonderful Grammy M! We Love You and Miss You!!

“ Mia was my prayer partner on the ACTS Team. There was an instant connection. She seem to know more about what my needs more than I did. She was my light when I was in my deepest darkness. Always praying. encouraging , supporting me through her love of Jesus Christ and the Blessed Virgin. Daily mass was like refueling her day. She has made a Hugh impact in my life and my families. I cherish what we had and know she will always be a true inspiration of living a Christ like life. She remains in my heart. To the family she left behind she loved each of you! And Kd her precious feline is now in the care of a loving family that will treat him like a king!

“*Maria was a beautiful light in the world and I loved her the first time we met. We would email each other to keep in touch and to discuss Our Lord and our faith. She was a true spiritual inspiration to me. The morning she went to Jesus, I was going to email her about a devotional I read that morning so I could share it with her. The devotional was on "Touching Jesus" and I was amazed that at that time that's exactly what Maria was doing. I smiled knowing that she was reunited with her cherished mother who she missed so terribly and loved so dearly.*

I'm sorry for your loss of a mother and sister. We, too, share in that loss. Maria had a heart and soul that loved so tenderly. I'm thankful for the blessing of knowing her. God bless you, her family.

“ So truly sorry for the passing of Maria. I first met her at her first retreat. I was on team, and you could tell that she sooo loved our Lord. I was on team and that Sunday morning, she road home with me. I remember how talkative she was and she spoke about how much she loved God and what he had done for her and how this retreat meant to her. I was happy she was able to be on team with me this year for the Retreat. I pray God will comfort her family in this time. She will truly be missed.

“ Sending prayers of love and condolences to all her family. I remember the first time I met Maria, how brave and faithful I thought she was. She brought herself, all alone, and came on the ACTS retreat miles away from her home. . A very brave step for anyone, she knew where her faith needed to lead her, and she found a group of sisters in Christ who totally loved and embraced her. Rest in Peace, dear friend. We will meet again.

“ I met Mia at an ACTS Retreat April of this year. We became instant friends... she was such a light in this dark world, and I feel so honored and blessed to have had a chance to call her not only my friend, but my sister... she was so easy to love and I will love her always.

For her family I am so sorry for y'all's loss and pray for y'all's healing during this time. I see there will be no service for her. She has many friends and ACT Sisters who want to pay our respect and show our love for her, so could y'all please let us know where she will be laid to rest? That way we can place flowers for her, show our love, pay our respect, and say our goodbyes... it would be greatly appreciated. I know y'all have much to deal with at this time, I would just like the chance to say goodbye and pay my respects. You can txt me at 940 595-0685 my name is Jennifer Hutchings.

I love you Mia, and miss you deeply. I pray for you to be at peace and rest well in the arms of Jesus.
