*Maria,
I know this is long overdue, but hopefully you have been able to know the meditations of my heart. How fortunate I was to have known you. When you laughed, it made me feel so good and what a strong, strong woman to endure what you went through! A great listener, you always made my lunch time something to look forward to. And how we could talk about all the happenings at work! For years, no less! Such a joy to share that. Everyone knew we were lunch buddies ... but you were oh so much more to me, of course. Please know that you were a great friend to me. So non-judgmental. You were a woman of integrity and wonderful qualities.*

May God Bless you and keep you. Have you met my Donald yet?

*All my love,
Leslie*
