“ I will always remember Marie and her sweet smile. We were classmates at GPHS and lived in the same community. Rodney, our families lived on the same street for many years. I have been praying for all of you and hope your grief will be replaced by loving memories of the times you shared with Marie. I know you look forward to a wonderful reunion with her when Jesus returns.

Sincerely,

“ Dear Dr. Wiseman, John and family,

*My heart and prayers go out to you at this news. I hadn't known that Marie was even sick, so it came as a shock, but I know it is worse for you. I've missed my St Mary Magdalene family so much since moving away, although it was a good move being nearer my girls and my parents, but I sure wish I could come by in person to give you a hug! I am sure that Marie is watching over you all now, and waiting until you can join her in eternity with our Lord!*

*God Bless you all!*
