“ Marilyn Sue was my BBF when we were in elementary and junior high. We went to church together, played together, spent many overnights together. Discovered guys from Oklahoma together, shared the same names together...Even though I haven't talked to her for many years, she will always be a fond memory in my heart. To Frankie and family, prayers and thoughts are with you. Marilyn Sue Chapman Haney

“ Marilyn was a classmate of mine, and some of our 1956 graduates had her Mother as a teacher in 4th or 5th grade. In high school she was the best basketball player we had. She was a Marilyn among five Marilyns in the class of 1956. Sorry to Frank and children for your loss.

“ If someone wanted to write a book on being a mother in law all they woul need is have known Marilyn. The most loving, caring, fun, supportive person. I don't think I ever heard a negative word from her. I will miss her greatly.

Having known you these last few years and how patient and kind you are to all of us makes us all quite sure that your mom was a kind and gracious woman too. “ *A wonderful sister-in-law, loved my parents and they loved her. Franky and Marilyn started dating when I was 9 or 10 and she was always available to take me and my friends wherever we wanted to go. By the time I was 14, she would allow me to drive their really hot 1955 black Ford to make the drag in Burk. I will always remember her devotion to her family and friends.*
