“ I had the blessing of knowing Marj, over the years, through the friendship that she and my sister, Becky Simmons, shared. When visiting Tyler, Marj and Becky would organize a special lunch, which usually included a visit to a plant nursery to enjoy the beautiful flowers. There was always joy and laughter, and I will treasure the special times shared with me, over many years. Rest in peace, sweet Marj. My heartfelt sympathy to all of you, Marj's precious family. May you be comforted through God's love for you and many cherished moments spent together.

“ *Marj was like a sister to me when we lived across the street from the Millers. So many good times we had, riding motorcycles and picking up pecans.*

We were the team that neighbors would call when they had gophers in their yard...we got pretty darn good at catching them.

Mowing the yard in waders one time when their grass got too high... she was afraid might be snakes in the yard. Just happened to be the day the Munoz family looked at the house next door that was for sale. They didn't quite know what to think they later told us after they moved in.

My thoughts and prayers are with the family and especially Les tonight.
