“ I am so saddened to learn of Margie's passing. She was Clerical Supervisor when I hired on with the Texas Board of Pardons and Paroles in 1979. We worked together for many, many years. She was a friend and an awfully good lady who did her job with strong dedication and loyalty to her co-workers and the State of Texas. I remember the strong love she always had for her family. She is very much a part of the many good memories I have of the years I worked as a parole officer. Please know I am praying for all of you that are family and friends, that God will hold you close in His strong arms and grant you His peace, strength and comfort.

“ I met Marjorie in 1981 when we moved to Tyler, She was a good friend and fellow employee of the State. Marjorie was one of the most dedicated and loyal people I have ever known. Before she retired she was my personal assistant while I was the Assistant Regional Director. Marjorie kept me straight, on time, and out of a whole lot of trouble I could have wandered into. I am forever grateful for her service to me and the Great State of Texas. Marjorie's love in life was her children and dogs, she always had stories of what Carol, Kathy, and Rickey were doing. She was very proud of who they were and what they were doing in life. Marjorie... Rest in peace and say hello to Mr. Grimes for me. Paul Kiel
