Marshall William "Bill" Marshall

*Most of us knew him as Bill.
Bill was a man for all seasons,
He loved life and lived it to the fullest.
Bill was a family man,
He was married to his high school sweetheart for 50 years.
He admirably took care of his wife - Martha,
For the last 7 years of her life.
They raised two beautiful daughters together,
And took on the added responsibility of raising Martha's younger sister.
Bill loved his home,
There was no task too great,
Or too complicated that he could not accomplish.
He was driven to not only accomplish it,
But the work was always done to perfection.
Bill loved his church and was an active member.
Bill was a godly man and felt very blessed to have found Patricia.
So much so - that they married,
And promised to live their Golden years together.
They had planned more travel to exotic places,
To watch many more sunsets and to witness an abundance of
sunrises.
Sadly, it didn't go as planned.
He leaves several friends who admired him from afar,
Many who were close to his heart and those he loved dearly.
Those of us who knew him will fondly remember his goodness.
Above all we will remember he was a good man who gave his all,
And expected nothing in return.*

“ A dear friend of mine for over forty years, this smart, kind, gentle man lit up everyone's world. Generous to a fault, cheerful every day, and ready to help anyone with anything, he's only just left us and I miss him already.
