“ *I am so sad to hear about Martha's passing. Martha and I were twirlers in middle school and high school. She was the head twirler and so good at making the rest of our twirling group work at our best. We had so much fun together and I will never forget the long hours we worked to throw our batons high and be in unison as a team. She was a very important person in my life and I will never forget her. Rachelle Applebaum Neuman 3867 Morgans Creek San Antonio, Texas*

“ *Martha was such a sweet friend. We started first grade together and were together until graduation in 1959. Martha was an outstanding majorette and I had the privilege of twirling with her our senior year. She was a beautiful soul.*

I worked with Martha when she was a counselor and I was a teacher. She was helpful to me and all the children that she worked with. Because of all that I learned from her I went on to become a school counselor. I so admired her and she touched my life in so many ways.
