“ I so fondly remember visiting Mary & Bill (My mother Blakely's cousin) as a young child when my family lived in Tyler. She always had such an intense interest in and enthusiasm for life and I know her friendship meant a lot to my mom. I also remember that she adored her children and grandchildren and was so proud of all of their accomplishments. My heart and thoughts are with all of you today -

“ *Mary Adams was a great example of a committed Christian mother, grandmother and friend. Unfortunately, I only became acquainted with her after her health began failing. On every hospital visit to cheer her, we would be the ones encouraged.*

She loved her family! She would always speak about some of you and maybe about a dress she had made one of the girls.

Robert and Joy, what a blessing you have been. You have been so loving, kind and considerate of Ms. Mary. You did everything you could to make her as comfortable as possible. She was so grateful!

We love you and are praying for you!
