Nell, Beloved Wife, Mother and Nanna, went to be with her Lord and Savior on Tuesday, February 24, 2009. She was born July 16, 1936 to Wesley and Cordie Mae Chandler. She was raised on the family's farm in Ben Wheeler, Texas with her two sisters and brother. Growing up, Nell loved to ride horses, especially Dixie. It was in Ben Wheeler on a beautiful day in April 1958 that a long time acquaintance got brave enough to send his little brother into the local café and ask Nell to come out to his car. She accepted the invitation; that was the beginning of a spring and summer filled with love and romance and she then married Bob Shaw in August 1958. As a graduate of Draughn Business School in Dallas, Nell began her professional career at General Electric, in Tyler. She then worked at Dresser Industries for 17 years followed by Brookshire Grocery Company for 16 in the Communications /Advertising Department. She was a member of Green Acres Baptist Church for 45 years where she served the Lord through music. She was a member of the choir and the Reflections Ensemble. Nell also served as the third grade children's choir director for 25 years. She served in various other capacities in the Children's and Youth Ministry at GABC as well. Nell was passionate about her community and demonstrated this through her involvement with the PTA

where she served as President and was a lifetime member. Nell was also President of Desk and Derrick. Nell's deep devotion, love of laughter and zeal for life was contagious. She loved to cook, paint, play the piano and was an avid gardener. She touched countless people with her steadfast love and encouragement. This led to many beautiful friendships. Each friendship was uniquely special to her which was evident by the steady stream of people whom visited her while she was ill. Even during her most challenging times she cared deeply about each person. Nell was a two time breast cancer survivor. She was very active in fundraising events for breast cancer. One year ago she was diagnosed with ovarian cancer. She embraced this challenge with dignity and grace as she did everything else in life. Nell was preceded in death by her parents, her sister Patsy Tiller and brother Don Chandler. “ *Nell's indelible spirit, unconquerable courage and enduring grace was a model for all who knew her. What a shining example of not only how to live, but also how to leave this life. Her fiery spirit and lovely sense of humor, her concern for others-even as she was facing insurmountable issues, her unwavering love for Bob and her family - what an example she set of what it means to be a true child of God. She has touched my life and influenced me in ways no other person ever has, and likely no other person ever will. I was blessed to call her my friend. While I will miss her mightily, I know she is rejoicing in the arms of God, everyone who knew her can take comfort in that undeniable truth. Her leaving has created a void, but because of the way she lived it is a void filled with hope and endurance.*

Nell is being remembered at Brookshire's as a kind, loving, wonderful person who will be missed so much by all who knew her.

Her friendship has meant so much to me through the years.
