“ To all the family - I am sorry to hear of the death of a precious loved one. I have good memories of the time I knew you when we all lived in Martinsville those many years ago when our children were in school. 'Nate" always loved going to the station with his papa. As time goes by, the grief you now feel will turn into all the precious memories of a loving wife and mother. This is kind of interesting; my husband, Charles, and I live just around the corner, on Cedarcrest, from the house you built on Hwy. 7 west.
