“ One day Eugenia and I were headed to Brenham for a meeting. It was raining so hard, and water was flowing over the road. TXDOT was directing cars to go through by driving in the center of the road. She rolled down the windows and said that Jim had always told her to roll down the windows in case we got washed away and the electric windows might not let us escape. Water was spashing up into my face. With both hands on the steering wheel, she raised her voice, and yelled out, "Are you praying, Shervonne, are you praying?!" Eugenia was such a godly friend and role model to me. She will be so missed! I won't be able to join you all for the funeral, but I am praying that God holds you close with the kind of love and comfort that only He can provide. She was so proud of you all!

“ We will certainly miss Eugenia. She was a kind and generous Christian lady. She always led out in church and helped our class at Green Acres grow in numbers and wisdom. What a blessing she was to all who knew her. She was a master gardener and was always willing to share her flowers with others. She was there for me when I buried my son and my mother.  
After viewing her tribute video, I can see she lived life to its fullest. Our prayers are going out to Jim and the rest of her family. We look forward to that day we will reunite with Eugenia in Heaven!

“ *Eugenia was one of my dearest friends. Our mothers both taught third grade—Mrs. Minton and Mrs. Vickers. Eugenia and I were twin drum majors for the Hemphill Band—her senior year and my sophomore year. A great memory with Eugenia was the time we invited two SFA students from a nearby Forestry Camp to my house to play a board game. I don't remember who won the game, but Jimmy Hull won the heart of Eugenia Minton.*

“ Years and years ago when I was at a place called miracle farm. We had a huge event where we would ride the horses in a parade type formation and parade around the property then have a almost show of skill at the very end and I will never forget how proud she was and the look for pure aw when she saw all of us ride right in front of her.
