“ Larry and Mary Ann were among the first people I met after coming to Tyler. I believe May Ann to be a truly joyous person and expect that there is great joy in heaven with her presence.

“ Our thoughts are with you during this difficult time. Your family has meant so much to us through the years. Mom and Dad always had great memories of the years that they worked with all of the Krumm family. We share in your pain and hope you find comfort in all your happy years together.

Just wanted to let you know we are thinking of you and praying for you and the family. I know it is tough for you but The Lord just received another beautiful angel for his choir.

I'm so sorry we could not be there for you and will continue to keep you in our prayers.

“ Mary Ann was such a wonderful, warm, beautiful woman who showed us how to be a child of Christ. The perfect picture of grace, and compassion. I will miss her smiling face and eyes. I am thankful that she is pain free and safe with her Father. Thank you Larry for showing us what a wonderful and caring husband you were.

“ I didn't get the privelege to know Mary Ann like everyone else. I've only known her for a short time and wished I could have met and kept in touch with her earlier on in life. She was a very sweet lady and a joy to talk to. She will be missed by our family very much. And Larry you will also be in our prayers. Love you both, Paula

“ Larry and family,
My husband and I want you to know the loving way that you and Mary Ann made us feel welcome at Trinity is one of the reasons we call it home. We remember with fond memories the first year we worked in the church booth at the fair. There were four Larrys and their spouses that night and we had a blast. Our prayers are with you and family. Your strong faith in Jesus will carry you through.

“ Dear family of Mary Ann...

We shared her presence and her love...as a group...for many
years...the magic of the quilting group was founded on the premise
that ... "as long as we kept their hands busy..the members would
eventually share the secrets of their soul..over time that theory was
put to the test...over and over again.....

As a group, as we created a beautiful quilt...we shared the ups and
downs of our lives...asking for prayers for our children...for our
spouses..and for our relationship with our parents...aging or in good
health...

I sensed at a very early time that Mary Ann was a
perfectionist...wanted everything in her life to be perfect...but her
Master Designer showed her that life was not always a picture of
perfection, but rather a picture of what really was...

If I had three sons...and if they loved me as much as they loved you,
Mary Ann...I would have to believe that all that I preached..all that I
made them do...all that I put in God's hands (for lacking anymore
strength to do otherwise)...I would have to rejoice in what my
children made of their lives....and I would have to say...."Thank you
Lord....and praise your Holy Name.?"

“ Larry, My thoughts and prayers go out to you and your family. You both will always have a special place in my heart. I guess one could never prepare him or her self to lose a loved one or your wife. You both showed me at an early age what true family means . My prayers are with you at this time in your life. “ Larry, we can't begin to know or feel your, or your family's loss. We can however give thanks to you for sharing Mary Ann with us . . . her physical warmth, her warm voice, her cheery sparkling eyes, and her bright smiling face, have provided us with an immeasurable legacy that can not be taken away, or ever forgotten.

Mary Ann has provided us a standard to live up to, and we're confident that one day, she will again brighten our day . . .

Our sympathies and prayers are with you all.

God Bless,

“ Larry,
My prayers are with you during this time. It is only through God's grace
you can face this separation. Don't try
to absorb it all at one time. Just take
it day by day by small bits and focus on the good memories. I can
remember you both and only have fond memories about you.

In God's love,
